IRU DIPLOMA OF HONOUR 2020

Call for nominations

Call for nominations for the IRU Diploma of Honour 2020. IRU Member Associations whose affiliates are neither transport operators nor taxi companies receive this document for information only.

As is the case each year, the IRU Diploma of Honour 2020 will be awarded to drivers engaged in national or international road transport, including taxi drivers, in recognition of their excellent and loyal service as a professional driver of road vehicles. The driver may be an employee or an owner-operator and has to fulfil all the conditions laid down in the ¹regulation for drivers engaged in the national or international transport of passengers or goods by road and in the ²regulation for taxi drivers.

This distinction rewards the most deserving drivers whose performance serves as an example to younger drivers while at the same time promoting road safety and improving the image of the profession. For this reason, IRU Members are strongly encouraged to promote the award to their own members at national level and to encourage them to nominate drivers who meet the required conditions and who are worthy of being awarded this distinction.

IRU Members are kindly requested to appoint a contact person within their association who will be able to serve as an intermediary between the IRU and the transport operators to answer any questions which may arise. The name and e-mail address of this contact person should be sent to honour2020@iru.org.
